Background

The training course assures hands on theoretical, practical and conceptual basic on the instruments for thorough understanding of analytical instruments and methods

USERC

Uttarakhand Science Education and Research Centre (USERC) was setup in 2005 by the Department of Science and Technology, Government of Uttarakhand as an autonomous organization. It was created with the mandate to bolster scientific temperament in Uttarakhand. To this end, it has been making intensive, across-the-board efforts to support education and promote career prospects in the realms of Science and Technology. USERC is dedicated to motivating and developing academicians and students through its involvement in teaching and training students for research in science and technology, including computing.

AIIMS, Rishikesh

Set in natural beauty and close to the sacred Ganges, All India Institute of Medical Sciences Rishikesh was strategically located to address regional imbalances in healthcare services, research, and training. It was established under the Pradhan Mantri Swasthya Suraksha Yojna's first phase and supported to be an autonomous body by the All India Institute of Medical Sciences (Amendment) Bill, 2012.
