

CERTIFICATE COURSE

5 DAYS ENTREPRENEURSHIP DEVELOPMENT TRAINING PROGRAMME

ON APICULTURE (BEE-KEEPING) HANDS-ON TRAINING

Organised by

**Uttarakhand Science Education
and Research Centre**
Department of Information and Science
Technology, Govt. of Uttarakhand

Beekeeping also known as Apiculture is an ideal subsidiary enterprise offers an immense potential for providing employment. Apiculture is an economically viable technology of agricultural diversification having a prime significance for human health care and nutrition. Beekeeping needs less space with low investment but fetches quick return and generates employment opportunity.

USERC

Uttarakhand Science Education and Research Centre (USERC) was setup in 2005 by the Department of Science and Technology, Government of Uttarakhand as an autonomous organization. It was created with the mandate to bolster scientific temperament in Uttarakhand. To this end, it has been making intensive, across-the-board efforts to support education and promote career prospects in the realms of Science and Technology. USERC is dedicated to motivating and developing academicians and students through its involvement in teaching and training students for research in science and technology, including computing.
