Technology, Govt. of Uttarakhand**

Date: 11 to 15 Dec 2023

Environmental Science is an integrated science. We apply biological, Chemical and Physical Sciences to understand the natural environment and now it is changing. Environment is central to the idea of sustainable and inclusive development. And so is the need for effective dissemination of environmental knowledge in our educational institutions.

USERC

Uttarakhand Science Education and Research Centre (USERC) was setup in 2005 by the Department of Science and Technology, Government of Uttarakhand as an autonomous organization. It was created with the mandate to bolster scientific temperament in Uttarakhand. To this end, it has been making intensive, across-the-board efforts to support education and promote career prospects in the realms of Science and Technology. USERC is dedicated to motivating and developing academicians and students through its involvement in teaching and training students for research in science and technology, including computing.
